SPRING 2008 LETTER TO MEMBERS

Hello all you fellow Mini Maniacs,

2007 was an interesting year to say the least. Many new things went on this year. The MDGF sponsored a 15 year old boy from the U.K. who wanted to set a new Mini distance World record in his age group. Well he did it. Way to go Adam. He is MDGF#.00051. Our youngest member plays some serious Disc Golf. He has appeared in the Disc Golf World News magazine this summer for his Disc Golf accomplishments. Nick joined the Federation last year and is MDGF#.00050. Alan "upshot" Brown, MDGF#.00053, has decided to play all the Disc Golf Courses listed in the PDGA Course Directory. Visit his site and support him. He WILL be at a Disc Golf Course near you. See the "play them all tour" link on our links page.

We have had a lot of players from Arizona join the MDGF this year. Arizona is really on fire for Mini only second to Pennsylvania. There are members now in 17 states and 2 countries. The MDGF ran the PDGA Pro Worlds Mini again this year. (3 in a row now), and are looking forward to seeing all of you at the Pro and Am Worlds in Kalamazoo this summer. We made it on PDGA radio while at the 07 Pro Worlds and an MDGF member won his second Mini Disc Golf World Championship. Lincoln Morgan, MDGF#.00002 won Mini also at the 2005 Pro Worlds.

The MDGF was also busy with Mini courses this year. My course at Beaver Creek in Strasburg, Pa. has morphed from a course with a lot of holes to an 18 hole, 5056 foot, par 70 Mini Course. The Mushroom Manor Mini Course in Lancaster owned by Lincoln Morgan has morphed into an extended version, with many different tee areas. The MDGF has also received a contract from a local Township to place an 18 hole Mini Course at a local park. Although the course has already been designed, installation will not begin until spring of 2008. This will be the 7th permanent Mini Disc Golf Course in Pa. with 5 of them in Lancaster County.

Mini is on the rise. The MDGF is growing. Our members and the PDGA help to make it come together. Hold a Mini Tournament at your next Disc Golf Tourney. Send us pictures of your Mini events. You have joined the Revolution!!!! Thanks to all who make it happen.

Happy Flights to all of you, Donnie Brooks MDGF#.00001 PDGA#15252
